Good morning, John and Laura. Per your request, I have attached draft store lists, sorted in the ways you requested. As we discussed on our call last week, we are working on confirming the information in the lists and we anticipate there will need to be some revisions. I understand from our conversation that you will treat them as "informational" only, until we can provide you final versions.

We look forward to checking in briefly with you at 11:00 a.m. this morning. I will send you a calendar invitation with call-in information momentarily.

My best,  
Jennifer
